home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

## William Shakespeare

Richard III

Richard III is an early history play probably written and performed around 1592–93. It is the culmination of Shakespeare's earlier three plays about Henry VI, and chronicles the bloody career of Richard, Duke of Gloucester. As the play opens, the Wars of the Roses are over, King Edward IV (Richard's brother) is on the throne, and all is ostensibly well. The problem? Richard wants to be king – and he'll stop at nothing to realize his ambition.  
(Summary by Elizabeth Klett)
